Bereavement Policy – Lincoln City FC

Lincoln City Football Club is happy to support fans who are grieving and to help celebrate the lives of family and friends.

The Club receives a high volume of requests from supporters to acknowledge the passing of loved ones. We can make announcements over the tannoy on match days and we also offer the option to feature details in our match programme at the end of the season. If you would like to pay tribute to an Imps fan who has passed away, please send an email to media@theredimps.com with their name and dates.

Whilst we endeavour to accommodate family requests, it is the Club's policy that a minute's applause or silence and the wearing of black armbands is strictly reserved for Club Officials, Former Players and those directed by the FA/EFL.

Unfortunately, the Club is no longer able to permit the burying/scattering of ashes at LNER Stadium or any training facility.

We also plan to introduce a Memorial Wall to provide a space for a lasting reminder of Imps who have passed away. Please check the website for updates.
