Family guide

WELCOME

We are one of the leading clubs in the country for family excellence and are extremely proud to be one of the few that hold a gold standard for this.

We'd love to welcome you down to the LNER Stadium to watch a game this season and experience all we have on offer.

From football sessions on the 3G AstroTurf, to inflatable challenges ran by Lincoln City Foundation and games in Poacher's Den, there is something for everyone to enjoy on our matchdays.

We're particularly proud of our University of Lincoln Fan Village which we continue to develop season by season based on the feedback provided by our supporters. Here you will be able to taste a variety of locally sourced delights, as well as enjoy a range of drinks before kick-off, at half-time and after the game.

We welcome you to watch our games in a way which suits you by choosing between our dedicated family stands, a safe standing block, or in our accessible areas for disabled supporters.

FAMILY FUN AT IMPS GAMES

There's fun for all the family at every home game, with more activities available in Poacher's Den.

Based at the north end of the GBM Stand and accessed via Sincil Bank, there is now a pool table, putting green and speed stack challenge. A new TV has also been installed for those wishing to play FIFA on the PlayStation.

This is all in addition to the Xbox, table tennis, fussball table and other fun activities at every game.

Poacher's Den is just one of the free activities in place at every home match, with free children's football sessions on the 3G pitch opposite the SRP Stand from 12.30pm every Saturday - there is no need to book on, simply turn up from 12.30pm.

There is also an interactive challenge in the University of Lincoln Fan Village at every match - this can be anything from inflatable football to a climbing wall.

And for those looking to relax and enjoy the atmosphere, there is a wide range of food and drink options in the Fan Village - including vegetarian, vegan and gluten free options.

The fun does not stop at the turnstiles, either, with lots of exciting moments inside the LNER Stadium as we build up to kick-off.

MATCHDAY CATERING

There are bar and refreshment facilities in the home and away stands which offer a range of pies, burgers, hot dogs, confectionery and soft drinks. All of our food is cooked and served fresh, so there may be queues at peak times.

Also continuing the local theme, there will be mobile catering kiosks around the stadium footprint and in the University of Lincoln Fan Village which are all part of the Lincoln Street Food Collective, from the likes of the ever popular Yellowbelly Sausage Company, Curry Jacks, Kind Kebab and The Good Grub Catering Co.

Please note that card payments are not accepted in the away kiosks inside the stadium and there are no cash points inside the stadium. The nearest cash machine is located at the convenience store on Lincoln High Street (LN5 8HX).

FOLLOW US WITH POACHER TV

There are loads of ways to keep in touch with the Imps before and after the game - including plenty aimed specifically for families.

Our mascot Poacher is very busy between games and has his own social media - you can find him on X at @Poacher_The_Imp. He shares updates on his activity during the week, as well as information which may be useful for families.

He also lends his name to Poacher TV, the home of our content fronted by young supporters. One highlight on this is Poacher's Pundits, where we invite young fans to commentate on every home match.

You can find Poacher TV on YouTube by searching Lincoln City and selecting the Poacher TV playlist, or by scanning the QR code below.

THINGS TO DO WITH THE FAMILY

Lincoln has so much to offer, make sure you explore the whole city when visiting for the football. Here are our top five things to do when in the city:

Lincoln Cathedral

The Cathedral can be seen from miles around, and even from the stands at LNER Stadium. Explore what was once the tallest building in the world – a place of beauty and tranquillity. Don't forget to look out for the gargoyles outside, and the famous Lincoln Imp inside, from whom Lincoln City FC take their nickname.

Lincoln Castle

The Castle on the hill was built by William the Conqueror to defend any future invasions of England. And it has stood strong ever since, even in the face of two Battles of Lincoln. Today it holds events, is home to a 1215 copy of Magna Carta, and you can walk the entire walls with stunning views across the city. Can you spot the stadium to the south?

Steep Hill

One of the most famous hills in England connects the busy city centre to the cobbled Cathedral Quarter of Lincoln! But, fear not, there are plenty of unique shops, tea rooms, coffee houses, and historic pubs along the way to give you a rest and keep you refreshed. And don't forget to pick up your "I Climbed Steep Hill" souvenir at the Visitor Information Centre at the top!

Brayford Waterfront

LNER Stadium is found alongside one of the city's many waterways, the most famous of which is the Brayford Pool. Close to the city centre, the Waterfront is the perfect base for a day in Lincoln with restaurants, pubs, coffee shops, and a cinema for entertainment. You can also take a boat trip to explore more of the area or stay overnight with views from the 4th floor at one of the waterfront hotels.

International Bomber Command Centre

You will often hear echoes of Lincoln's Royal Air Force past in the stands at LNER Stadium as air raid sirens and the Dam Busters theme are sung by home support. Discover this heritage for yourself just a 20 minute walk away past the South Common at the International Bomber Command Centre. The poignant memorial spire and walls are accompanied by a fascinating exhibition to remember more than 50,000 servicemen and women who died serving Bomber Command in WWII – many based in the county.
