You must have an access code to view tickets for this event.

Enter Code

Apply Code

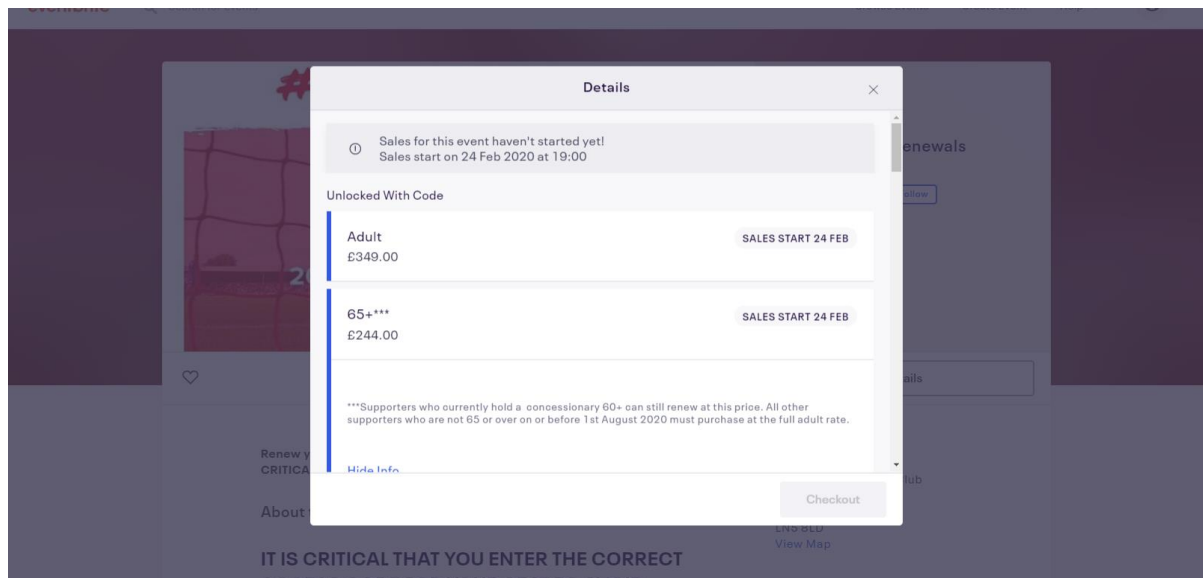

Your access code is your 2019/20 season ticket number. This is printed on your season ticket card, which can be found in your Eventbrite account and on your season ticket order confirmation email. It is a nine/ten digit number starting with a **9, 10, 11 or 12**

It is imperative that you enter your access code correctly! Your code is specific to YOUR individual seat therefore if the wrong code is entered you could inadvertently be paying for a different seat and risk your seat being released.

Once you have entered your code, click “Apply Code”.

You will now have the main screen which shows every variation of ticket type available. Please ensure that you scroll down and view the entire list BEFORE you select a ticket. This will ensure that you select the correct ticket type.

You will notice that there are several variations of the same ticket

The Adult is for a full price adult. You can also select this option if you are renewing as part of a Family Season Ticket.

JIC Adult- Existing JIC adults can renew by selecting this option.

Supporters wishing to renew through finance may do so via Premium Credit for the 2020/21 campaign.

Once you have secured finance via Premium Credit, you will need to complete an application form so that the ticket office can manually process your order. Please note that this could take 2-3 weeks to process. Once the ticket office have processed your renewal, you will receive a confirmation email from Eventbrite

### Important points to remember when selecting your ticket

- Family season tickets are available on a 1:1 ratio. This means only one family junior for each full paying Adult/65+/18-21 and must be next to each other. For example, you cannot have the adult in Co-op Upper 3 and the family junior in Co-op Upper 7.
- JIC season tickets are only available within Co-op lower 1 and Bridge McFarland and to existing JIC season ticket holders. Each JIC Adult/65+/18-21 must have at least one JIC junior. However, a maximum of four juniors can be connected.
- 65+  
In order to renew a season ticket from an "Adult" to a "65+", the season ticket holder must be over the age of 65 on or before Saturday 1st August 2020. Supporters that hold a "60+" season ticket for the 2019/20 season can still renew their seats at the concession rate.
- Young Adult 18 – 21  
In order to qualify for a season ticket at a Young Adult rate, the season ticket holder must be 18-21 on Saturday 1st August 2020.
- Junior Under 18  
In order to qualify for a season ticket at a Junior rate, the season ticket holder must be under 18 on Saturday 1st August 2020.
